## V. FARA

- Ekim / pro payment - consulting on refunds - according to BK - refund

- Bijan was paying them back (that is what Bijan told Flynn).

- consistent agreement w/ Ekim: don't remember.

- Don't remember side convos w/ Ekim regarding consulting specifically. Had 2 weekly update calls, meeting in NY, met a FIG's office early on.

- Bijan - GF has known him since 2007. consider him as ~~Bijan~~ family. we are good friends. I don't know him to mislead.

- Bijan ~~too~~ is charming, network, but not great business acumen.

- promising to see on calendar now many days Flynn was in FIG office during FIG & w/ pro.

- ~~had to~~ had written 3 or 4 op-eds on campaign's plan to fight ISIS / Islamism / Radicalism

↳ pull every article

- learned about eulen charter schools through book tour.  
(learned more about it through Inovo representation).

- ALAC - law to use U.S. Law in American courts, not Sharia Law (learned about on book tour).

- Bijan had done a video w/ Woolsey on Azerbaijan.

- push for placement of article was for campaign reasons. (fighting until the end to show that Trump campaign was serious on fighting Islamic extremism).

↳ Mayan tried to get out through campaign channels (initially had tried to push article out on Saturday before).

- didn't know that Bijan had shared draft w/ Ekin.

~~- Don't~~

- LDA: Bijan said he would contact Bob Kelly. (concern of potentially up. foreign govt?)

- Bijan was handling all discussions w/ Ekin.
